You can of course provide input for questions about your group! We can organize this hilarious group activity in our location in Amsterdam or elsewhere in the Netherlands. You can book a battle floor quiz in our location or can we come to a place of your choice somewhere in Netherlands. Do you want to upgrade your event with additional activities such as laser game, archery tags, Escape Room or VR games? Or would you also like to have a good drink and enjoy a delicious barbecue? Please let us know. We can create the perfect experience for you. As I said in my last Roommate game post I dedicate a few posts to all the RA out there. In honor of a few of my students finding out that they will RA fall, Christina, Bisma, and Taylor it goes to you as well as for my students, finishing your year Mariah and Roger you are both amazing! This is another post for you and all your RA colleagues out there that I did back in my RA days (I feel so old)! I created this game back in college, but you can also buy the official version of Battle of the Sexes on Amazon. Note: While dedicated to RA you can play this game with a group of friends in your home as well! Here's what you need for a battle of the sexes: - Contestants-team guys and girls - Score Keeper -Timer (for Charade Round) How to play: Separate participants on either side of the room (note: to make sure that all members comfortably allow the contestants to choose which team they would like to play). During the first round, several options each member gets a turn to answer the question for the team. You can flip between teams or go through all the questions for one team and then the other. Next you to fill an empty round and the latter have a charade round where team members develop a phrase or word for your commands to guess.
